NEEDS, GOAL, AND OBJECTIVES TEMPLATE

NEED

Upgrade of computers and software and purchase of projection devices for all classrooms.

NEED

Skills in using available equipment.

NEED

Knowledge of strategies for integrating technology into the curriculum.

GOAL

TFA:
Teacher Preparation and Delivery

To ensure ongoing professional development for all staff in the use of current and future technologies.

OBJECTIVE

By the end of the first year, the Tech Coor will have upgraded all computers and software on the servers, so teachers and students have research and multi-media capabilities. Each classroom will have a projection device installed.

OBJECTIVE

By the end of the second year, training modules will be developed and used in training situations by all staff. Evaluation of all participants will ensure mastery before moving to the next module.

OBJECTIVE

By the end of the third year, all teachers will have received instruction and training in the integration of technology into the curriculum. Communication arts and Social Studies will be the core areas initially developed. Teacher lessons will be accessible on the school web page. Peer evaluation will be used as a measure of mastery.
